*Throughout scripture God calls people of faith to heal.*

The mission of the Wellness Team is to encourage, educate, and equip members and the community to build and sustain healing ministries, and promote health in mind, body and spirit.

*PS Food Mart*

*Dear Tracy and Employees of PS Food Mart,*

*The Wellness Team wants to thank you for your continued support to help reduce childhood hunger in Jackson County.*

*Your donation of Pop tarts is looked forward to, by the children who receive the After School Packs. This week our program packed 153 packs for the kids, and your donation of pop tarts were a part of the packs. We expect the number of children in our program to grow, with the closing of McCulloch School. Many of the children, who had attended McCulloch School, now attend Bennett school.*

*We also want to thank you for your generous donation, of \$1,229.00, in the spring, to the Food Bank, in our name. We also received the Matching Funds Challenge of \$130. All of this really helps us help children,*

*We can't thank you enough!*

*Sincerely,*

*Fran Adams*

*Thank You!*

*Fran Adams, Chairperson of the Wellness Team*
